

## REMARKS

Applicant has amended the title and the drawings. Applicant respectfully submits that the amendments to the title and the drawings are supported by the application as originally filed and do not contain any new matter. Therefore, the Office Action will be discussed in terms of the titles and drawings as amended.

The Examiner has objected to the drawings stating that Figure 24 should be designated as prior art. Submitted herewith is a replacement sheet wherein Figure 24 is designated as prior art. Accordingly, Applicant respectfully requests that the Examiner withdraw the objection.

The Examiner has objected to the title as being misdescriptive and has suggested a new title. Applicant has adopted the title suggested by the Examiner.

The Examiner has indicated that Claims 1-5 are allowed, and Applicant accepts the allowed claims.

In view of the above, therefore, it is respectfully requested that this Amendment be entered, favorably considered and the case passed to issue.

Please charge any additional costs incurred by or in order to implement this Amendment or required by any requests for extensions of time to KODA & ANDROLIA DEPOSIT ACCOUNT NO. 11-1445.

Respectfully submitted,

KODA & ANDROLIA
